Engineering, procurement and construction (EPC) contracts are the most common form of contract used to undertake construction works in O&G sector. Many of these EPC contracts are “bespoke” forms and can be complicated and difficult to make workable. AIPN has assembled a group of recognized professionals to address strategies in managing risks under EPC Contracts in the Middle East for the O&G sector.

Registration is complimentary for members and 100AED for non-members, payable in cash at the door.

To secure your attendance, please RSVP to Charmaine Getongo at +97144019722 or [charmaine.getongo@dwf.law](mailto:charmaine.getongo@dwf.law).

Special thanks to event-sponsor [DWF LLP](#).
